Dear Shul Members and Guests,

As the summer draws to a close, we have begun preparing for the Yamim Noraim. Over the past year we have, Bli Ayin Harah, seen an enormous amount of Bracha bestowed on our growing Kehillah. Looking back on all that has transpired and ahead to all that we hope for, we once again begin preparations for the Yom Hadin. As a Kehilla, we hope that each and every one of us, with our families, friends, and community, have a successful Elul and merit to see much Bracha, Hatzlacha, happiness, and good health in the coming year.

As we all know, our Shul is in great need of expansion. While preliminary planning stages are taking place, clearly this Yamim Noraim will be taking place in our current facility. In order to ensure the appropriate atmosphere for the Yamim Noraim, please take note of the following items:

Seating: Seating will be limited to reserved seats only and the number of seats will be limited to provide ample space for a comfortable Tefilah. Seating is on a first come first serve basis. *We will be providing an initial time period now through September 7th during which we will only be accepting reservations from members.* After the members only deadline, September 7th, has passed, remaining seats will be open to members, associate member, and non members. In order to accommodate family groupings please reserve seats as soon as possible. *The cost per seat is \$100 for members, \$136 for associate members, and \$175 for non members.*

Use of Seats: Due to the limited availability of seats, we ask that you inform us if you do not intend to use your seats during any part of Rosh Hashana or Yom Kippur. For example, if you intend only to Daven with us in the evenings, or will be away for one of the days, please let us know so we can maximize the use of the seats.

Ladies Section: We are considering additional modifications to the setup downstairs which would further improve the visibility and sound from the ladies section. We will do everything we can, within the obvious limitations of our structure, to create the best results.

Playroom/DayCare: A babysitter(s) will be hired to supervise the children in the play room during Davening on the Yamim Noraim. Based on feedback received from some of our mispalelos, we are taking additional steps, including modifications to improve the buffering of sound coming from the playroom. Please support these changes by making an effort to monitor your children's behavior so that they don't interrupt the Tefilos of others.

--

Please, return your seating requests to the Shul ASAP to allow for proper planning. We are looking forward to sharing a very meaningful Yamim Noraim with you and your family. Feel free to contact us with any questions, suggestion, or concerns.

With great hopes and Brachos for a happy, healthy and successful new year.

Sincerely,

Rabbi Zvi Teichman

Playroom/Babysitting

Please indicate the number of children you plan to bring to the playroom, their ages, and approximately what percentage of the time so that we can plan appropriately. It's our goal to make Davening as convenient and accessible as possible, but, bear in mind that the playroom will be a supervised play environment and not a structured program. Diaper changes and feeding are the responsibility of the parents.
