Dear Shul Members and Guests,

As the summer comes to a close, we are making preparations for the upcoming Yomim Noraim. As a Kehilla, we hope that each and every one of us, with our families, friends, and community, have a successful Elul and merit to see much Bracha, Hatzlacha, happiness and good health in the coming year.

While much has transpired with regards to our expansion plans, including the successful completion of the zoning process, there is still much to do to get us to our goal and obviously this Yomim Noraim will be taking place in our current facility. In order to ensure an optimal atmosphere for the Yomim Noraim, please take note of the following items:

Seating: Seating is limited to reserved seats only, and the number of seats will be limited to provide ample space for a comfortable Tefilah. Seating is on a first come first serve basis. *We are providing an initial time period now through September 1st during which we will only be accepting reservations from members (Full, Supporting, & Founding).* After the members only deadline, September 1st, has passed, remaining seats will be open to members, associate member, and non members. In order to accommodate family groupings please reserve seats as soon as possible.

Guests: Members booking seats for out of town guests can do so at the non member rate per seat (\$200). These reservations will be taken at the same time as the member reservations but will be subject to availability of seats to all requesting members during the member's only reservation period. Local guests must book seats as non members once the member deadline has passed.

Use of Seats: Due to the limited availability of seats, we ask that you inform us if you do not intend to use your seats during any part of Rosh Hashanah or Yom Kippur. For example, if you intend only to Daven with us in the evenings, or will be away for one of the days, please let us know so we can maximize the use of the seats.

Ladies Section: We regret that our Shul is still in a less than ideal physical condition. Unfortunately, one of the areas most in need of improvement is the ladies section. We can only apologize and re-commit to making the best use of what we have for now and hope that this time next year we will be in a new building. If you have any specific suggestions on how we can improve the setup please let us know.

Playroom/Daycare: Once again, Bracha & Rocky Caine are making their playroom available to children ages 1 to 10. Sitters will be hired to supervise the children as they play. They will not be running any programs or providing feedings or diaper changes. Sitters will be available from 10am to the end of Mussaf both days of Rosh Hashanah & on Yom Kippur. This service is available to those who have booked seats with us for the Yomim Noraim. Please check on your children at least every 45 minutes and remind them that the regular playroom is closed for the Yomim Noraim to avoid disruptions in the ladies section.

--

Please, return your seating requests to the Shul ASAP to allow for proper planning. We are looking forward to sharing a very meaningful Yomim Noraim with you and your family. Feel free to contact us with any questions, suggestion, or concerns.

With great hopes and Brachos for a happy, healthy and successful new year.

Sincerely,

Rabbi Zvi Teichman

Playroom/Babysitting

Please indicate the number of children you plan to bring to the playroom, their ages, and approximately what percentage of the time so that we can plan appropriately. It's our goal to make Davening as convenient and accessible as possible, but, bear in mind that the playroom will be a supervised play environment and not a structured program. Diaper changes and feeding are the responsibility of the parents.
